Steve Wong Che Ming, age 68, was appointed as an Independent Non-executive Director in July 1992. He was appointed as a member of the Audit Committee of the Company in July 1998, a member of the Remuneration Committee of the Company in April 2005 and a member of the Nomination Committee of the Company in February 2012. During the period from September 2001 to the first quarter of 2005, he served as the Chairman of the Audit Committee of the Company. He is a solicitor, Notary Public, China Appointed Attesting Officer and a member of The Chartered Institute of Arbitrators. He holds a Bachelor of Social Science Degree in Economics from The Chinese University of Hong Kong and a Doctorate Degree in Civil Laws from The Renmin University of China.

Dr. Wong did not hold any directorship in other Hong Kong or overseas listed public companies in the last three years. Save for his directorship in the Company, Dr. Wong does not have any relationship with any director, senior management, substantial shareholders or controlling shareholders of the Company.

As at the Latest Practicable Date, Dr. Wong holds 900,000 Shares and 407,448 ordinary shares in Build King. Save as disclosed above, Dr. Wong does not have, and is not deemed to have, any other interests and short positions in any shares, underlying shares or debentures of the Company and its associated corporations (within the meaning of Part XV of the SFO).

Dr. Wong has entered into a letter of appointment with the Company for a term of three years commencing from 1st March, 2018 and is subject to retirement by rotation and re-election in accordance with the Bye-laws. Dr. Wong is entitled to an emolument of HK\$286,700 per annum for acting as an Independent Non-executive Director and additional fees of HK\$119,300 and HK\$41,500 per annum for acting as a member of the Audit Committee and a member of the Remuneration Committee of the Company respectively. His emolument will be reviewed and determined by the Board annually with authorization granted by the Shareholders at an annual general meeting of the Company and taking reference to his duties and responsibilities with the Company and the prevailing market situation.

Dr. Wong was fined and suspended from practice as a solicitor for 6 months from 30th April, 2008 to 31st October, 2008 as a result of disciplinary proceedings by the Law Society in relation to certain complaints against him. These complaints arose from a personal injury case in which his firm acted for the two defendants, the Incorporated Owners of a building in Mongkok and its Management Company between 1995 and 1998. He was the supervising partner of that case. Shortly after a change of the management committee of the Incorporated Owners in early 1998, the new management committee held views contrary to those of the previous one on the conduct of the legal action. The new management committee changed solicitors and filed complaints against Dr. Wong and the handling solicitor. The complaints related to allegations of conflict of interest arising from his acting for both the Incorporated Owners and the management company of the building in the action, the manner of his handling of the settlement of the action, and the manner in which he reported to the Incorporated Owners on the progress of the action and the settlement. There were no allegations or findings of dishonesty on the part of Dr. Wong and no pecuniary loss was suffered by the Incorporated Owners in relation to the subject matter of these complaints.

Save as disclosed above, Dr. Wong has not been involved in any of the matters as mentioned under Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules and there are no other matters in relation to Dr. Wong that need to be brought to the attention of the Shareholders.

In respect of the re-election of Dr. Wong as an Independent Non-executive Director, the Nomination Committee and the Board have followed the Nomination Policy and the Board Diversity Policy of the Company, and considered the Board diversity from a number of aspects, including but not limited to gender, age, cultural background, educational background, professional experience, skills, knowledge and/or length of service.

While Dr. Wong has served the Company for more than nine years as an Independent Non-executive Director, taking into account the independence confirmation from Dr. Wong pursuant to Rule 3.13 of the Listing Rules and that Dr. Wong has not been involved in the daily operation and management of the Group during his tenure, the Board considers Dr. Wong to be independent. During his tenure as an Independent Non-executive Director, with his extensive experience in the business and legal fields, Dr. Wong has provided advice which helped contribute to the development of the Company's strategy and policies. As such, the Nomination Committee proposed the re-appointment of Dr. Wong as an Independent Non-executive Director to the Board for it to recommend to the Shareholders for re-election at the AGM.

Pursuant to Code Provision A.4.3 of the Corporate Governance Code set out in Appendix 14 of the Listing Rules, such re-election will be subject to a separate resolution to be approved by the Shareholders at the AGM.

This appendix serves as an explanatory statement, as required by Rule 10.06(1)(b) of the Listing Rules, to provide Shareholders with requisite information reasonably necessary for them to make an informed decision as to whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, there were 793,124,034 Shares in issue. Subject to the passing of the relevant ordinary resolution and on the basis that no further Shares are issued or repurchased prior to the date of the AGM, the Company would be authorized to repurchase up to a maximum of 79,312,403 Shares.

REASONS FOR THE REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to have general authority from the Shareholders to enable the Directors to repurchase Shares on the Stock Exchange. Such repurchases may, depending on marketing conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

FUNDING OF THE REPURCHASES

It is proposed that repurchases of securities under the Repurchase Mandate would be financed from available cash flow or working capital facilities of the Company and its subsidiaries. In repurchasing the securities, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or funds of the Company which would otherwise be available for dividend or distribution or the proceeds of a new issue of Shares made for the purpose of the repurchase. The amount of premium payable on the repurchase may only be paid out of either funds of the Company which would otherwise be available for dividend or distribution or out of the share premium account before the Shares are repurchased.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the latest published audited accounts of the Company for the year ended 31st December, 2018), in the event that the proposed Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Per Shares	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
2018		
April	4.720	4.420
May	4.700	4.350
June	4.500	3.850
July	4.220	3.680
August	4.420	3.830
September	4.250	3.800
October	3.950	3.600
November	4.040	3.740
December	4.040	3.860
2019		
January	4.300	3.820
February	4.660	4.280
March	5.680	4.600
April (up to the Latest Practicable Date)	5.780	5.480

DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders, to sell any of the Shares to the Company.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any of the Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules and the laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases as a result of the Directors exercising the powers of the Company to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company as a result of share repurchases by the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The following table illustrates the effect of the exercise in full of the Repurchase Mandate on the voting rights held by Mr. William Zen Wei Pao, Mr. Derek Zen Wei Peu and Vast Earn Group Limited ("Vast Earn").

Name	Number of Shares held	Approximate percentage of voting rights held in the Company as at the Latest Practicable Date	Approximate percentage of voting right held in the Company upon full exercise of the Repurchase Mandate (Note 2)
William Zen Wei Pao (Note 1)	197,781,843	24.94%	27.71%
Derek Zen Wei Peu (Note 1)	195,957,078	24.71%	27.45%
Vast Earn	198,068,000	24.97%	27.75%

Notes:

- Mr. William Zen Wei Pao and Mr. Derek Zen Wei Peu are brothers and are presumed to be acting in concert with each other by reason that they are close relatives. As at the Latest Practicable Date, the aggregate number of Shares held by them was 393,738,921 Shares, amounting to approximately 49.65% of the number of the issued shares of the Company. Assuming no other changes to the number of the issued shares of the Company and their holding of Shares, upon exercise in full of the Repurchase Mandate, their holding of Shares will carry 55.16% voting rights in the Company. Accordingly, the full exercise of the Repurchase Mandate can trigger an obligation on their part to make a mandatory offer under Rule 26 of the Takeovers Code. However, the Directors do not intend to exercise the Repurchase Mandate to the extent that triggers such a mandatory offer, unless an appropriate waiver under the Takeovers Code is obtained.
- Assumes no other changes to the number of the issued shares of the Company and holding of Shares as stated between the Latest Practicable Date and completion of repurchases under the Repurchase Mandate.

SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of the Shares (whether on the Stock Exchange or otherwise) has been made by the Company during the six months preceding the Latest Practicable Date.
